Electric Windows

25 February - 17 March 2026

They go up, they go down.

As a child they cranked, turning handles.

As an adult I press a button, buttons break. Windows stop moving.

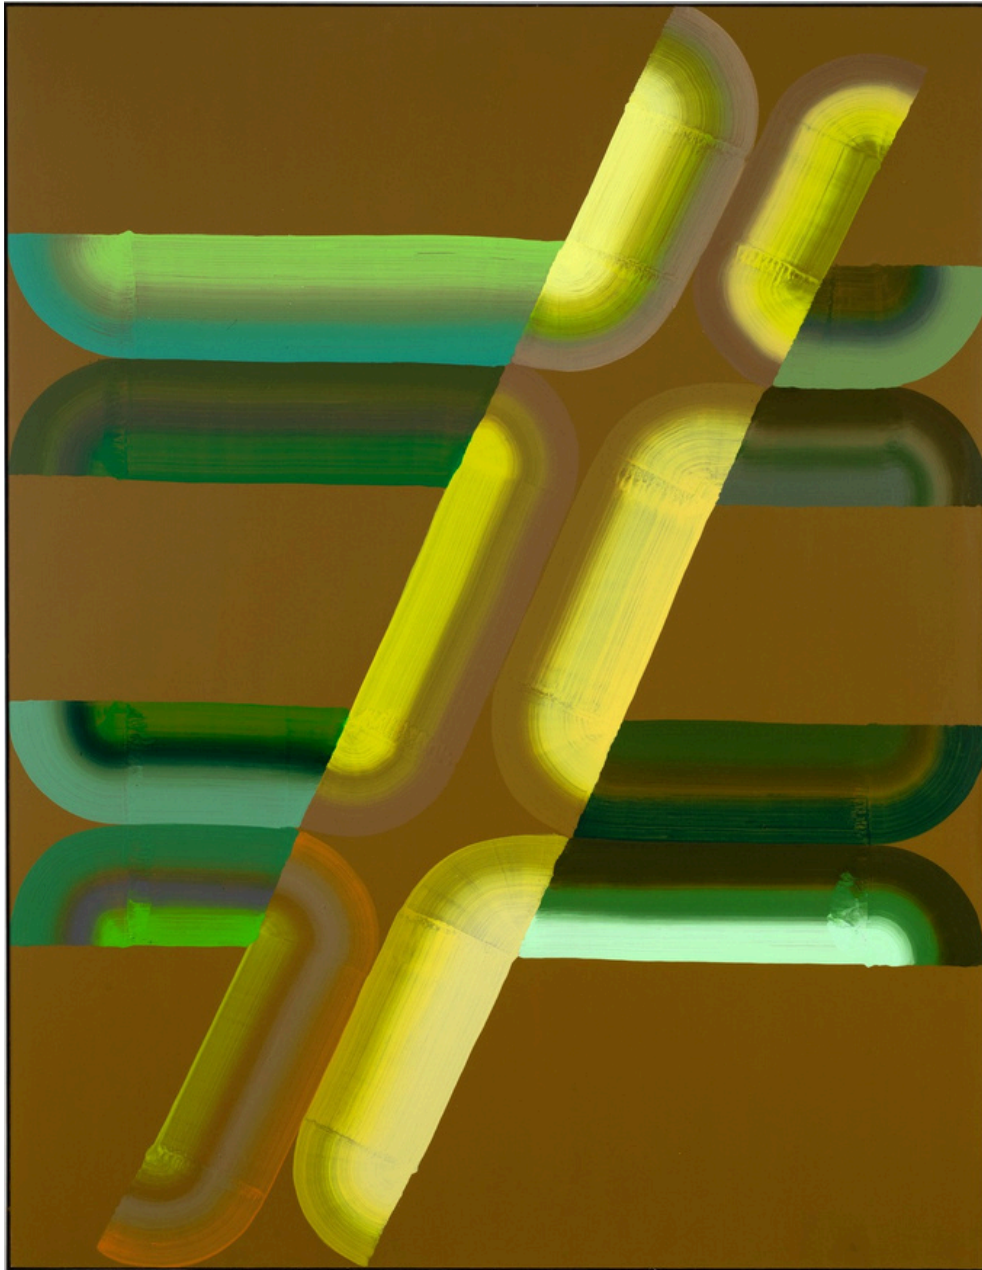

Lines traced on breath drawn glass. Lines trace window panes. There isn't much to say. I don't want to say much.

Flow on through. Follow transparent planes as they fall idle, stationary.

Broken times, broken lines, broken colour.

Slices through Electric Windows.
